***Information Disclosure Statement***

The information disclosure statement filed 4/6/05 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each cited foreign patent document; each non-patent literature publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered.

***Allowable Subject Matter***

Claims 1-15 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or fairly suggest an inflatable cuff comprising the combination of a first inflatable bag adapted to be wound around a body portion to stop flow of blood in an arterial vessel of the portion, a second inflatable bag located inside a downstream-side portion of the first inflatable bag as seen in the direction of blood flow in the arterial vessel, having a dimension smaller than the first bag in said dimension, and for sensing a pulse wave propagating along the arterial vessel, a fluid-filled bag adapted to be located between the second inflatable bag and the body portion, and a shield plate located between the first inflatable bag and the second inflatable bag, in combination with all of the other limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
